Sub: grant period extension

Dear Shai,

I need an extension of my grant period (Grant no.2006-0-011) upto December 2008. I have completed most of the work relating to the grant, and have submitted them to you, except the comic I wanted to do. Since I was involved in a documentary (also related to comics), I am not able to concentrate on the drawing. The film happened too soon. So I will work on the comic intermittently and hope to finish it by December. I am also attaching a story idea for the comic. I hope it turns out well...

regards,

Bharath Murthy
